Notes:

¹ Length is measured from the back of pivot plate to the front edge of rack.

² Reflects the adjusted lifting weight when adding the recommended number of Torsion Springs (TS).

³ Modular racks allow damaged and worn out parts to be replaced, resulting in lower maintenance costs.

⁴ Abbreviations: Anti-Glare = AG, Powder-coat = PC. Powder-coating is available in black, white, gold, red, and safety yellow.

⁵ Lead times are expressed in business days. Actual lead times may vary based on seasonality and manufacturing capacity.

⁶ Part numbers shown represent a family of products. Additional part numbers are available depending upon various options.
